

# Ride Safe Program

Presented by Owen Police Department

Owen Police Department encourages children to “Get out and Play” in a safe manner.

To kick off National Bicycle Safety Month beginning May 1<sup>st</sup>, 2017 Owen PD Officers, while on patrol, will make contact with children who are demonstrating good bike safety skills like wearing helmets and riding on the side of the road.

In conjunction with local businesses, children will be presented with gift certificates for their decision to Ride Safe.

Children will then be entered into a prize raffle for a chance to win prizes that may include bicycle equipment and gift cards. The raffle will be held at the end of the summer at a later determined date/time.

The Ride Safe Program is being implemented to ensure bicycle safety for all children in the Owen-Withee Community. Thank You!
